Sharing What is Learned: Leaving a Legacy through Data-Driven Dissemination

The proof that you know something is that you are able to teach it.

- Aristotle

Knowledge and human power are synonymous, since the ignorance of the cause frustrates the effect.

- Francis Bacon

Knowledge itself is power.

- Francis Bacon

The improvement of the understanding is for two ends: first, for our own increase of knowledge; secondly; to enable us to deliver and make out that knowledge to others.

- John Locke

Having knowledge but lacking the power to express it clearly is no better than never having any ideas at all.

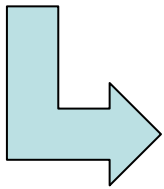

- Pericles

Knowledge advances by steps, and not by leaps.

- Thomas Babington Macaulay
