*Sustaining a Campus Suicide Prevention Program*

*Grantee Meeting Jan. 2008*

# The Process

- Beginning to consider sustainability
- Assembling the team to discuss sustainability
- Outcomes of team meeting
- New grant proposal and its relationship to sustainability
- Carry over request- focus on sustainability

# The Legacy Wheel

- Partnership and Collaboration
- Leadership for Change
- Evaluation

# Lessons Learned

- Sustainability is a mindset
- Consider all opportunities as potential for sustainability
- Sustainability begins when project begins

# Next Steps

- Presentation of evaluation results to key stakeholders
- Proposal for new grant – opportunity to solidify a “Plan B”
- Follow through with carry-over request proposal – if monies are awarded
