

Partnership for Workplace Mental Health

Date: 2010 (For resources, this is the publication date. For programs, this is the date posted.)

Information

Type: Website
Author: American Psychiatric Foundation
Publisher: American Psychiatric Foundation

See This Resource

<http://www.workplacentalhealth.org/> [1]

This website was created by an alliance of the American Psychiatric Association, corporate sponsors and business partners to promote a business case for mental health care. Employer resources include return to work initiatives, evaluation of health care plans, employee education and the impact of mental health issues on the "bottom line". Employee resources include self-help materials and ways to access care.

Settings: Workplaces
About Suicide: Behavioral Health Disorders
