[VA risk consultation](https://www.mirecc.va.gov/visn19/consult/)

This no-cost consultation service is available to any provider who serves veterans at risk for suicide, whether or not they are receiving services from the VA. Providers can contact [srmconsult@va.gov](mailto:srmconsult@va.gov) and suicide risk management clinician/researchers will contact them and provide consultation on issues such as assessment, lethal means counseling and engaging veterans at high risk.
