

## University of Colorado Denver

Grant Type: Garrett Lee Smith Campus  
Grant Status: Active  
Year Awarded: 2019  
State: Colorado

The purpose of this program is to develop a comprehensive, collaborative, well-coordinated, and evidence-based approach to: (1) enhance mental health services for all college students, including those at risk for suicide, depression, serious mental illness, and/or substance use disorders that can lead to school failure; (2) prevalence-based and substance use disorders; (3) promote help-seeking behavior and reduce negative public attitudes; and (4) improve the identification and treatment of at-risk college students so they can successfully complete their studies. It is expected that this program will reduce the adverse consequences of serious mental illness and substance use disorders, including suicidal behavior, substance-related injuries, and school failure.
