[Survey on LGBTQ youth mental health](#) [1]

This is the Trevor Project's first wide-ranging report from a cross-sectional national survey of LGBTQ youth across the United States. 34,000 LGBTQ youth responded, reporting on discrimination, being pressured to change their sexual orientation, feeling sad and hopeless, thoughts of suicide and suicide attempts.

Populations: Young Adults Ages 18 to 25 Years, Youth, Adolescents, Lesbian, Gay, Bisexual and/or Transgender People
About Suicide: Data and Statistics, Behavioral Health Disorders, Depression/Bipolar, Suicidal Thoughts and Behavior, Ideation, Attempts
Planning and Implementing: Stigma, Prejudice, and Discrimination
