Listed in the **Best Practices Registry for Suicide Prevention (BPR)**

**Section III: Adherence to Standards**

Section III practices address objectives of the National Strategy for Suicide Prevention. Their content has been reviewed for accuracy, safety, likelihood of meeting goals and objectives, and adherence to prevention program guidelines. Practices have not been reviewed for evidence of effectiveness.

Visit [www.sprc.org](http://www.sprc.org) for more information.

The BPR is administered by the Suicide Prevention Resource Center (SPRC). It is funded by the Substance Abuse and Mental Health Services Administration (SAMHSA).
