  - Positive Columbia Assessment
  - Safety plan
  - Determine need for inpatient stabilization
Follow Up Process

- Patients discharged to home with safety plan
  - Follow up within 72 hours by clinician
  - Referral to Heartline

- Patients admitted for inpatient treatment
  - Safety plan/referral to Heartline
  - Discharge follow-up plan
Heartline Referral

Heartline Referral
Follow Up Release of Information

We are concerned about you and we want to make sure you are safe. We would like to call you and see how you are doing. We have found that these follow-ups can be helpful in keeping you safe and supported until you are feeling better (and/or linked to treatment services).

Clinic/program: □ CNDH Ada  □ CNDH Tahlequah  □ CNDH Poteau  □ CNDH Ardmore  □ DF6 Ada  □ DF2 Poteau  □ ATLC  □ CCV  □ HL  □ Niitsitap’ita  □ RRS  □ SF Ada  □ SF Thackerville  □ MWS

Name ___________________________  Age: _________  Birth date: ______

Date of discharge ____________

I (Patient) was admitted to:

□ Chickasaw Nation Medical Center  □ Psychiatric inpatient facility (EOD)  □ Other ___________________________

Address ___________________________  City ___________________________  State _______  Zip _______

Discharge Follow-Up

Follow Up Care Check List for Mental Health Services

If you choose to follow up with Chickasaw Nation mental health services, the following will guide you through the process.

☐ The inpatient facility to which you have been accepted:
   Name: ____________________________

☐ Consents for communication between Chickasaw Nation and the inpatient facility completed
   - You will need to call your family or friends you wish to have contact with while you are in treatment, the Chickasaw Nation cannot release your information to anyone without consent.

☐ The outpatient therapist you will be following up with upon discharge:
   Therapist name: ____________________________ phone number: ____________________________
   appointment date: ____________________________ appointment time: ____________________________

☐ If you are a CURRENT patient to the Psychiatry Department with the Chickasaw Nation your follow up appointment will be:
   Location: ____________________________ date: ____________________________ time: ____________________________

☐ If you are a NEW patient to the Psychiatry Department with the Chickasaw Nation:
   - You will need to call the clinic you live closest to and ask to speak to the Psychiatric Care Coordinator to make an appointment.
   - You will need to let them know if you need medications continued until your appointment.
   - No appointments will be given without discharge paperwork. You will need to make sure they have your discharge paperwork from the inpatient facility.
Establishing Buy In

- Increased presence at medical team meetings
- Marketing materials
- Integrated psychiatry
- Joint Commission requirements
- Universal screening
Evaluation

- Evaluation of follow-up care
- Patients identified at risk for suicide
- Total number of assessments and results
