Published as: MMWR 37(S-6):1-12. Recommendations in this report were developed to assist community leaders in public health, mental health, education, and other fields to develop a community response plan for suicide clusters or for situations that might develop into suicide clusters. A workshop for developing these recommendations was jointly sponsored by the New Jersey State Department of Health and CDC on November 16-17, 1987, in Newark New Jersey.
