[Help & hope for loss survivors \(4.09 MB\)](#) [1]

This short booklet is designed to assist the newly bereaved without an overwhelming amount of information at a painful time. Sections include: Grief and coping; Tips for telling family and friends; Talking to children and youth; Helping someone after a suicide loss; How to remember a loved one; How to manage social media; Financial concerns and Identifying suicide risk in oneself and others. The resource list is focused on Indiana but the resource is useful for all survivors and those working with them.
