CDC RFA: Emergency Department Surveillance of Nonfatal Suicide-Related Outcomes

May 03, 2019
News Type: Weekly Spark, Weekly Spark Announcement

The Centers for Disease Control and Prevention (CDC) [1] has released a request for applications [2] to conduct emergency department surveillance of nonfatal suicide-related outcomes. The purpose is to support CDC’s National Syndromic Surveillance Program, which collects data from emergency departments. Applications are due June 14.
