Grant Type: Garrett Lee Smith Campus
Grant Status: Active
Year Awarded: 2020
State: Ohio

The Notre Dame College Counseling Center is requesting support to implement a comprehensive suicide prevention strategy for the benefit of its students, faculty, and staff called iThrive@NDC [2]. This will be implemented with the collaboration of local partners and include suicide prevention and mental health promotion training, voluntary annual mental health and substance use screenings, and provide students with more options to encourage help seeking behavior. iThrive@NDC [2] will take place in South Euclid, Ohio and will target its efforts towards the mental health challenges facing minority students, first generation college students, and students with learning differences.
